Suggested					Sensor in pantry not working     At this stage we suggest the repairs to the exterior veranda      are corried out within 2 months. Overall the property in in-						
Improvements					are carried out within 3 months. Overall the property in in good condition for its age.						
Our Summary					Overall we are very happy with the way the tenant is maintaining the property and especially the lounge reprint as discussed.						
					We have made a couple of requests to the weeds in the front garden as detailed in the report but nothing of concern.						
					We do recommend the maintenance items as highlight should be carried out with the render on the veranda the most urgent.
