Water meter reading at end of tenancy:

The Entry (and Exit) reports provide evidence of the condition of the premises at the beginning and ending of the tenancy. Take time to fill these forms in carefully. These documents may be referred to as evidence if there is dispute over the bond refund at the end of the tenancy.

Tenant:

1. Inspect the premises
2. Mark each item on the list *clean/undamaged/working* (where applicable).
3. Make a note of any extra items in the *additional comments/information* section
4. Initial each page of the report. Give it to the lessor/agent as soon as possible once the agreement ends.
5. Talk to the lessor/agent if you disagree about the condition of the premises. Comments can be recorded in the *additional comments/information* section or by attaching a separate page.
6. Retain the signed copy of the report from the lessor/agent.

Lessor/agent:

1. Inspect the premises
2. Include comments where you disagree with the tenant/s report
3. Initial each page of the report.
4. Talk to the tenant if you disagree about the condition of the premises. Any agreement can be recorded in the *additional comments/information* section.
5. Return a signed copy of the report to the tenant within 3 business days. Retain a copy for at least one year after the tenancy agreement ends.

Note: The Entry condition report (Form 1a) is compared to this Exit condition report (Form 14a) at the end of tenancy.
